Sir:

PETITION TO CORRECT ASSIGNEE UNDER 37 C.F.R. § 1.183

Applicant requests that the above-referenced patent be corrected to name The Trustees of Tufts College and The New England Medical Center Hospitals, Inc., as assignees of the patent. Applicant inadvertently failed to include New England Medical Center Hospitals, Inc. as an assignee on the Issue Fee Payment Transmittal (form PTOL-85B, item 5). In support of this request, Applicant submits that the Assignment to the New England Medical Center Hospitals, Inc. was recorded before issuance of the patent. Applicant encloses a copy of the recorded Assignment for New England Medical Center Hospitals, Inc., which was recorded on February 24, 1992, at Reel 6048, Frame 0464.

Applicant respectfully requests that the requirements of 37 C.F.R. § 3.81 be waived.

If this Petition is granted, Applicant requests that the file be forwarded to the Certificates of Correction Branch for issuance of a Certificate of Correction. Application previously filed a PTOL 1050 Form in our original Request to Correct Assignee under 37 C.F.R. § 3.81(b), submitted on June 1, 2005.

Applicant submits that there is no fee due with this Petition as Applicant previously paid the \$130.00 as set forth under 37 CFR § 1.17(i) with the original request filed on June 1, 2005. However, if Applicant is mistaken, or if any additional fees are required to be paid or any overpayment has been made, please charge or credit same to our Deposit Account No. 03-1721.
